

WELCOME TO THE FUTURE OF
BITCOIN DISTRIBUTION

INTRODUCING DAO BTC 24H

An innovation in the crypto market.
Now, everyday people can participate in
Bitcoin distribution 24 hours a day using smart
contracts on the blockchain. Decentralized and
anonymous, this groundbreaking concept is
set to transform the crypto world and impact
millions of lives worldwide.
Get ready to be part of this historic shift!

UNILEVEL CONTRIBUTION BONUS

20% of contributions go towards a bonus pool.

The bonus is distributed across **40 levels**.

0.5% of all contributions made through your referral link are shared across these 40 levels.

Bonuses are paid directly to your wallet upon each contribution made through your referral link in **BTC 24H**.

Daily commission cap: 50% of the contributed coins.

Example: Contribute **100 BTC 24H** and earn up to **50 BTC 24H** in one day as commission.

ADDITIONAL DETAILS

NFT commissions are paid in Tether (USDT) directly to your active wallet.

To earn Unilevel bonuses, you must have at least one active contribution in your wallet.

NFT payouts are always processed for the first and last 5 positions at a time.

NFTs receive global BTC 24H distributions based on the current USDT rate.

Unilevel commissions are automatically processed by smart contracts.
